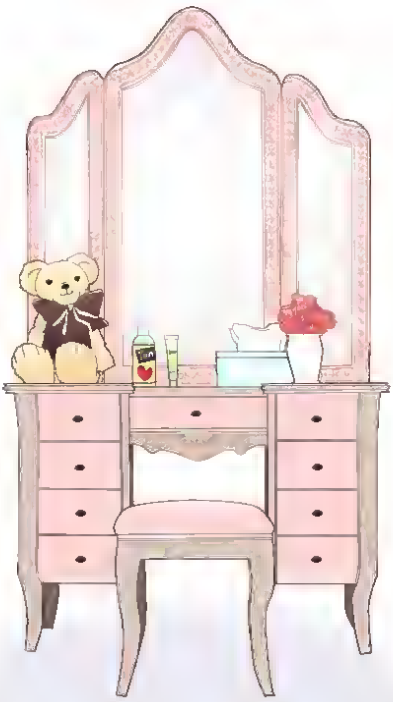
Doesn't every woman desire...



...to be called beautiful by her boyfriend?

Hey, 'Darin Kim, you have to tell me the truth, okay?

T/N. The names in Cherry Boy are a mix of fruit puns

Do you think I'm pretty?

Omigosh, Berry! You've become really really pretty!
Look at you, you even lost weight?
Is that windbreaker new?? Omigosh, so-o-o cute!
No way.
They complimented me like there's no tomorrow.
Maybe I'm really that pretty.
Are you on drugs?

Geez, so unbelievable...
Look at a mirror before you talk.
You have to actually be pretty before acting all conceited and egotistic.

Huh? No.
She's kind of bug-eyed, but she's still beautiful in her own way.

So there!
All girls always say their friends are pretty!

Even if I'm your boyfriend, I have to tell you the truth, right?

Your image in the bathroom mirror and the self-pics are all enhanced by lighting and angles. How can you fool yourself every day?

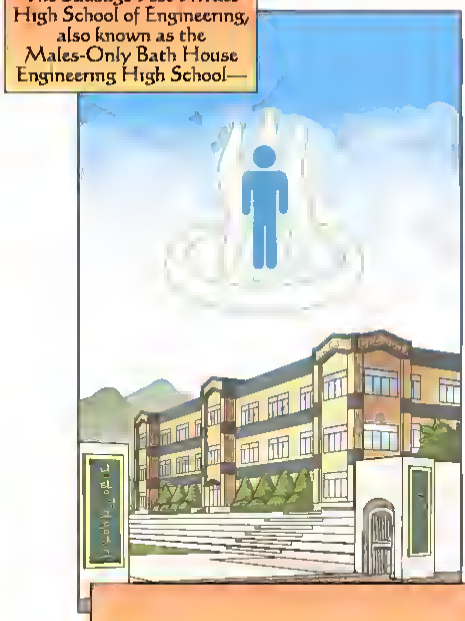
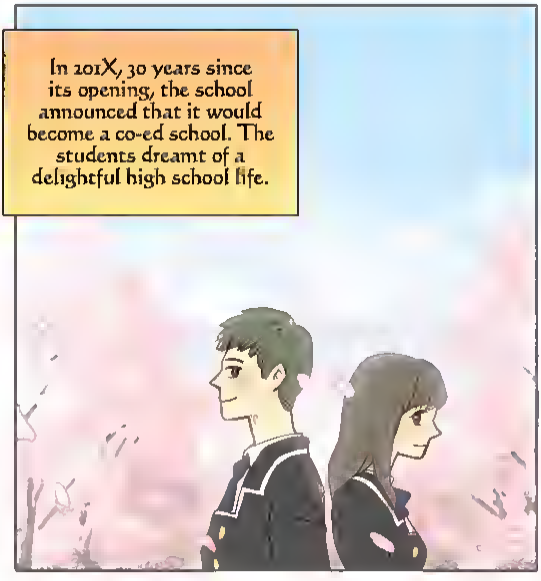
Cherry Boy, That Girl
Art by South Ant



The Sausage Fest Private High School of Engineering, also known as the Males-Only Bath House Engineering High School—
Ever since the school's opening, it was a woman-free zone, never allowing any female on campus.

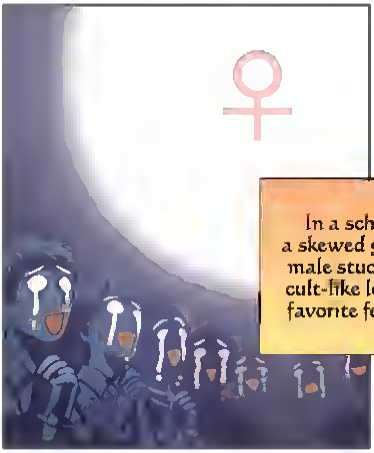


In 201X, 30 years since its opening, the school announced that it would become a co-ed school. The students dreamt of a delightful high school life.

However...

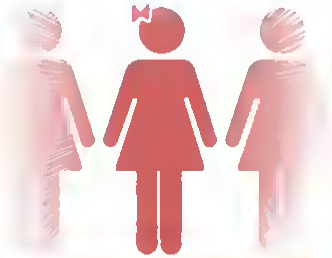
In the entire student body of 1100 students, there were only 11 females

1%



In a school with such a skewed gender ratio, the male students developed cult-like loyalties to their favorite female students.

Eventually, the male students' loyalty converged on the most beautiful female student in the school, and she was worshipped like a goddess—



She had over 1000 male students in the palm of her hand!

I soldered some white LEDs to the board. It has a switch so you can turn it off and on.

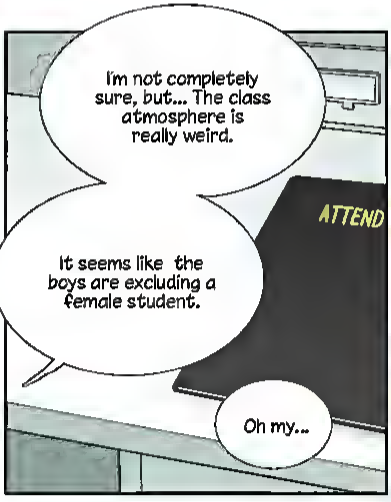
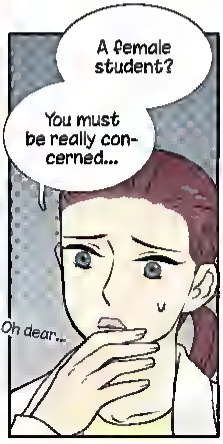
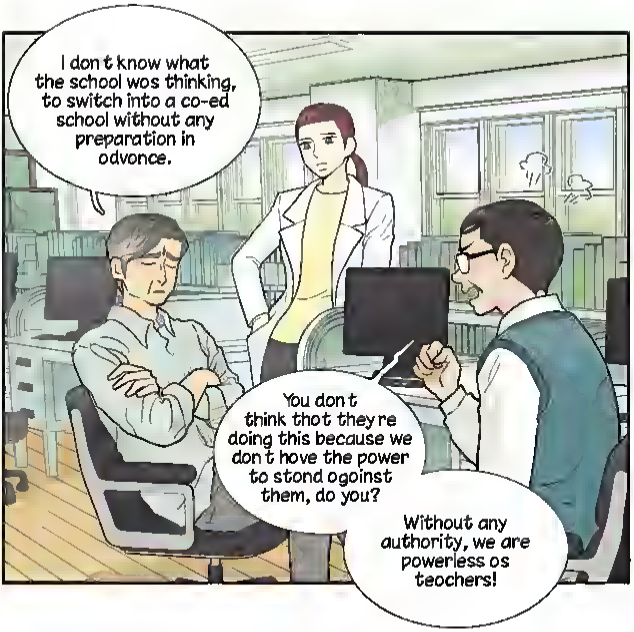
Ah, it's that...



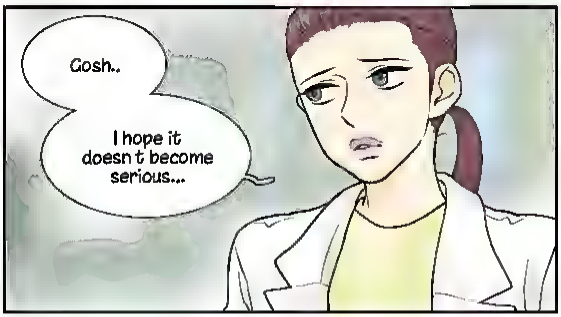
I'm not completely sure, but... The class atmosphere is really weird.
ATTEND
It seems like the boys are excluding a female student.
Oh my...



A female student?
You must be really concerned...
Oh dear...

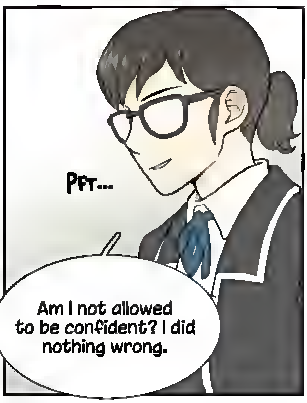


I don't know what the school was thinking, to switch into a co-ed school without any preparation in advance.
You don't think that they're doing this because we don't have the power to stand against them, do you?
Without any authority, we are powerless as teachers!



Gosh..
I hope it doesn't become serious...

30 minutes ago...



I threw it away because you told me to throw it away.
I burned it because you told me to burn it.

I was just letting you borrow my hands.
The one who made the decision to 'toss' and 'burn' was you.
The one who laughed at your fans presents behind their backs was also you.

IT'S BECAUSE THEY KEPT GIVING ME USELESS THINGS...
YOU SAID THAT TOO!
Then why didn't you say that to the guys too?
Instead of just acting all happy and gratefully accepting their gifts in front of them!

You, are so low.

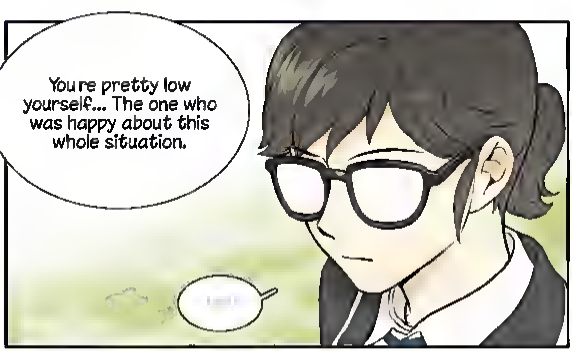
That's how I see it...



You're pretty low yourself... The one who was happy about this whole situation.

Isn't there someone who should be going now?

No, it's Teacher Dam-im.

How's your body?
Really? I'll be seeing you at school soon.
Ho

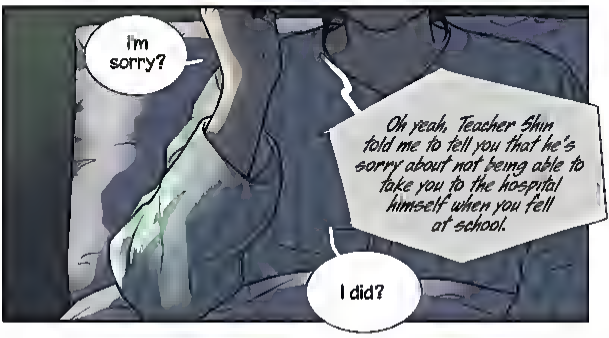
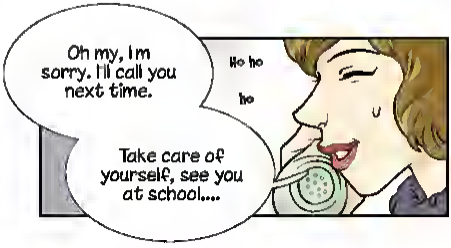
I heard from Teacher Shin that you dropped by at school.
You should've visited the teacher's room too, so that I could see your face.



I'm sorry?
Oh yeah, Teacher Shin told me to tell you that he's sorry about not being able to take you to the hospital himself when you fell at school.
I did?

Don't overexert yourself. Stop by at the teacher's room when you feel like it.
Because you don't have to go to class.
Um... I don't know what you are talking about...

Teacher, I'm locking the doors now.
I'm coming out now.



Oh my, I'm sorry. I'll call you next time.
